TERM SHEET

HUD Section 223(f) Loan Program
Multifamily Acquisition or Refinance Loan

This loan program provides non-recourse, assumable financing for the purchase or refinance of existing multifamily developments.

Maximum Term

The maximum term is 35 years or 75% of the remaining economic life of the property.

Maximum Loan

For refinance with no equity take-out or acquisition:

	LTV	Loan-to-Cost*	DSC
Market-Rate	85%	85%	1.176
Affordable	87%	87%	1.15
Broadly Affordable	90%	90%	1.11

(>90% Section 8)

For equity take-out in a refinancing:

	LTV	Loan-to-Cost*	DSC
All Transactions	80%	See Above	See Above

Personal Liability / Assumability

Non-recourse with standard carve-outs. Can be assumed subject to FHA approval.

Lockout / Prepayment Structure

Negotiable, but typically 10% in year 1, declining 1% per annum thereafter, until payable at par after the 10th year.

Repairs / Replacements

Limited to \$16,983/unit multiplied by the area's High Cost Factor, with a maximum of \$45,854/unit.

*The Loan-to-Cost values are for acquisition transactions. For refinance transactions, the owner may obtain a loan of up to 100% of the total cost to refinance.

Secondary Financing

- Permitted up to cumulative LTV of 92.5% for private financing.
- Unlimited cumulative LTV if public financing.
- Evidenced by surplus cash note.

Other Considerations.

- Mortgage Insurance Premium (MIP) varies on level of affordability and energy efficiency. MIP rates range from 25 bps to 60 bps.
- Rents based on post-renovated condition.
- Davis-Bacon / prevailing wage rates do not apply.
